

Darcy L. Fehlings MD, MSc, FRCP(C)

Dr. Darcy Fehlings is Head of the Division of Developmental Pediatrics and is a Professor in the Department of Pediatrics, at the University of Toronto. She is the inaugural holder of the Bloorview Children's Hospital Foundation Chair in Developmental Pediatrics. Dr. Fehlings is the Senior Physician Director of the Child Development Program at Holland Bloorview Children's Rehabilitation Hospital and provides medical leadership for a large ambulatory program for cerebral palsy and other neurodevelopmental disorders.

Dr. Fehlings is a Senior Clinician Scientist in the Bloorview Research Institute. Her research focuses on the innovation and evaluation of interventions for children with cerebral palsy. She is the lead investigator of an Ontario Brain Institute integrated neuroscience network focused on children with cerebral palsy (CP-NET) and leads the CP Discovery Project in the Canadian NeuroDevNet Networks of Centres of Excellence. Professor Fehlings was the president of the American Academy for Cerebral Palsy and Developmental Medicine (AACPDM) in 2015.
