

## **Peter Palhazi, MD**

Dr. Peter Palhazi studied medicine at the Semmelweis University in Budapest, Hungary and is currently a plastic surgery resident and Ph.D. student. During the medical school and after it Dr. Palhazi spent 6 years in a clinical anatomy laboratory before entering the plastic surgery residency program. His main interest is the macroscopic morphology and 3D navigation research. He is committed to rhinoplasty, breast reconstruction and cleft repair research. Dr. Palhazi regularly lectures at national and international rhinoplasty, breast surgery meetings in Europe and in the US. At the age of 25 he won the R K Daniel Resident Paper Award at the Annual Meeting of The Rhinoplasty Society, NYC, USA, 2013.
