

# TOXINS 2024

Basic Science and Clinical Aspects of Botulinum and Other Neurotoxins

7th International Conference  
Estrel Berlin • Berlin, Germany  
17-20 January 2024

## Ancillary Meeting Space Information

### Ancillary Events

---

The International Neurotoxin Association (INA) allows companies and nonprofit organizations to host events during TOXINS 2024, but places limits on the times and venues of these events.

The INA must review and approve ANY event involving TOXINS 2024 meeting attendees during the inclusive dates of the conference before promotion and implementation of the event can occur, whether it is being held at a conference hotel or another venue.

Applications for approval to host events during TOXINS 2024, including, if available, a copy of the brochure, invitation, or agenda should be submitted via email to Rose Puleo at [info@neurotoxins.org](mailto:info@neurotoxins.org).

**No ancillary events involving TOXINS 2024 attendees are allowed during the following times:**

- Wednesday, 17th January – 17:30 -21:30
- Thursday, 18th January – 7:30 - 20:15
- Friday, 19th January – 7:30 -16:05
- Saturday, 20th January – 7:30 - 11:30

Once your request has been approved by the INA, a coordinator from the Estrel will contact you for further details to confirm your request and provide a contract.

**Please Note:** The sponsors must comply with the local authority's regulations, EFPIA (European Federation of Pharmaceutical Industries and Associations [www.efpia.eu](http://www.efpia.eu) and IFPMA (International Federation of Pharmaceutical Manufacturers & Associations [www.ifpma.org](http://www.ifpma.org) Code of Practice on the Promotion of Medicines.

To request space, [click here](#) to download the application. Complete the application, sign, and email to: [groups@neurotoxins.org](mailto:groups@neurotoxins.org).
